

Please ensure that you have met all TCOLE prerequisites prior to registering to take a state licensing exam.

Registering to take a licensing exam on our website does not confirm that an individual has met the state requirements or prerequisites to take the exam. Employers and applicants must ensure that they meet state requirements to include medical, criminal history checks, psychological, endorsement letters, and any other training or requirements mandated by TCOLE prior to taking a state licensing exam. TCOLE may be reached at 512-936-7700.

Please visit www.aacog.com/academy to see our training calendar and register for a state licensing exam. We would like to provide the information below for those who need to complete course 1305 prior to taking a licensing exam.

- TCOLE Rules require that a person take and complete course/test 1305 (TCOLE Rules Overview (for Jailers and Telecommunicators) or BPOC Chapter 33 Rules Overview Exam (for Peace Officers), which is a required pre-requisite for licensure testing. A 100% score on the 1305 test is required in order to take the state exam.
- Both the BPOC and Telecommunicators 1305 exams can be completed online by going to <http://www.tcole.texas.gov/> either login or create a (1.) MyTCOLE Account.
- Click on the (2.) My Training tab and you will see a drop down menu with Go to TCOLE Learning. Click it and continue to the (3.) course categories where you will see the available courses and tests.
