Health & Wellness Coordinator  
Alamo Area Council of Governments  
2700 NE Loop 410, Suite 101  
San Antonio, TX 78217

Mr. Martinez:

We write on behalf of The American Academy of Developmental Medicine & Dentistry (AADMD) in support of the Alamo Area Council of Governments' (AACOG) project, the Health Passport for the Intellectual & Developmental Disabilities (IDD) Services Department.

The AADMD is to provide a forum for healthcare professionals who provide clinical care to people with IDD and improve the quality of health for persons with IDD. We feel this project would greatly assist those persons who do not communicate with words in managing their healthcare with their providers. The Health Passport is a step forward toward our vision of persons with IDD receiving a high quality of care.

Sincerely,

David F. Fray, DDS, MBA  
VP of Education, American Academy of Developmental Medicine & Dentistry
